

Technical Assistants Electronics and Data System Technology

Three-year Traineeship including Entrance Qualification for Universities of Applied Science (double qualification)

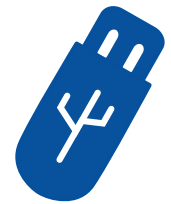

Microsoft
CERTIFIED
Solutions Associate

Job Description

State-certified Technical Assistants Electronics and Data System Technology plan, install, configure and maintain IT systems and telecommunication technology – on request also based on individual customer needs. Furthermore, they train and advice customers. The occupation is comparable to the profession of IT specialist system integration. With this training at GPB College, you will also attain the Entrance Qualification for Universities of Applied Sciences and Arts.

The completion of this training enables you to work in the IT industry, e.g. at manufacturers of IT devices and telecommunication technology or electronic component facilities, manufacturers of the car industry, construction industry or plant construction, software and IT system companies, as well as engineering offices specialising in IT planning.

Admission requirements

- Secondary School Certificate (MSA)

Registration

Please apply by sending an email to info@gpb-college.de including the following attachments; letter of application, C.V., copies of your last two school reports. Of course, you can always send your application by posted mail or call in and give it to us in person.

Final qualification

- State-certified Technical Assistants Electronics and Data System Technology
- Entrance Qualification for Universities of Applied Sciences and Arts
- Additional certificates (Microsoft, Linux, Cisco)

Costs and Funding

School fees are payable for the training at our private vocational training college. You can pay these in monthly instalments of EUR 195, over 36 months.

Numerous options to fund your training are available to you e.g. student BaföG (German Schüler-BAföG), family allowance (German Kindergeld), student loans (German Bildungskredit).
